Competition Race Format

ALL divisions – 5 heat races.

(If we are running out of time this will be brought back to best of 5 heat racing)

- 🐾 Division 1 – Triple round robin – 6 races each team
- 🐾 Division 2 – Triple round robin – 6 races each team
- 🐾 Combined Division 3/4 - Single round robin – 6 races each team
- 🐾 Division 5 – Single round robin – 6 races each team

Points for round robin will be allocated as follows:

- 🐾 2 points for a win
- 🐾 1 point for a drawn race
- 🐾 0 points for a loss

Combined division 3/4 - there will be a 1st & 2nd place in each division and the winner of each division will be the team with the most points in that division. Points include those gained from wins where teams raced against the other division.

Tie Breaker

AFA APPROVED COUNT BACK RULE: Where at the end of a Round Robin Competition two or more teams are tied on Competition points the placings will be decided using the approved AFA Count Back Rule

“Count back based first on head to head RACE wins during competition (where more than two teams are tied the count back for each team shall be the total RACE wins scored against all of the teams that are tied (the combined number of wins); if two teams are still even the teams are compared on head to head heats; if two teams are still even - then average time using the 5 best completed head to head heats for each team (i.e. add the 5 best times of all completed heats run by each team head to head and divide by 5 to determine average completed heat time. Best average time wins.). If average time is even - then fastest heat time head to head decides the winner. “

Changeover times

Teams will have 90 seconds from the end of the preceding race to have their box and jumps set up and be ready to race. The judge will indicate when there is thirty seconds remaining. The judge may forfeit a team if they are not ready on time.

Note: If it appears that we are behind in the racing schedule we will reduce the changeover time to 60 seconds. Council has scheduled the Flyball presentations for 2:30pm so we need to be finished in time to meet this deadline.

Stewarding

All teams are required to participate in the stewarding throughout the day to ensure the smooth running of the competition.

Breakouts

The ruling on breakouts will be as per the AFA rulebook & the changes made at the 2009 AFA AGM.

Catering

There will be food stalls participating at Petfest selling both food & drinks.

There will be a break for lunch. The time & length of the lunch break will be announced beforehand.

There should be vets on site so if one is required please see the competition organisers or anyone from PICS I

Please ensure your dogs are on lead when not racing & you pick up your dogs poo & dispose of this in the bins provided
