

# What's new on the AFA member login?

Once involved in flyball you can get hooked on the sport and start training up second, third or more dogs. To simplify the process of registration for extra dogs outside of renewal time, the AFA has added the functionality of form online and payment via cheque or direct bank payment.

Under members login there is an extra tab called "My Dogs" simply click "Add A Dog" & follow the form.

My Dog tab shows the information captured about your dog in the AFA database. Each dog's age needs to be adjusted and we are currently working towards fixing this.

To personalise the Member login you may now upload a favourite photo of your dog. Step 1 locate your favourite photo first then simply click on "Upload Picture" select Browse button, locate your photo on your computers & select an image (\*.jpg;\*.jpeg; Max file size limit 5MB) and Upload Media...done! Please make sure you have permission to use the photo from the photographer.

## What's next?

Other website projects we are working on:

- Finalising the online incident report for judges and automatic reporting of incidents to the Supervisory Judge & AFA Secretary.
- Activating within the "My Dogs" tab, for visibility of your dog incidents, which could indicate the need for extra flyball training.
- Moving the C6 results form to online reporting for Competition organisers.
- Creating an online form to add an Associate member to an existing member.
