GENERAL INFORMATION

This event is sanctioned by the Australian Flyball Association Inc. As such, it will be run in accordance with the "Rules and Policies of the Australian Flyball Association Inc."

GENERAL

- Apart from dogs that are involved in the current race, all dogs must be held effectively (either on lead, staked in secure ground or crated). No dog is to be tied to the ring (either in or out of the ring).
- Bitches "in season" are not permitted on the grounds.
- Any dog that is considered unfit for racing, either by a Veterinarian or Judge, will be excused from the competition.

CODE OF CONDUCT

Code of Ethics

Cooperation and good sportsmanship should not be recognised in passive observance, but as a way of life in training and competition. Participants shall, at all times, be courteous and friendly. At no time should they show displeasure with a dog, Judge, exhibitor, AFA representative, sponsor, host or spectator in or out of the ring. Never conduct yourself in a manner that would bring discredit to the sport of flyball. As a participant, whether it be exhibitor, trainer, Judge, host or AFA representative, you typify the sport of flyball.

Misconduct

Misconduct shall include, but not be limited to, abusive or foul language, demonstration of dissatisfaction with a Judge's decision, inhumane treatment of a dog, demonstration of poor sportsmanship, willful violation of the rules with intent to gain an unfair advantage or any other behaviour that would leave a spectator or exhibitor with an unfavourable opinion of the sport of flyball.

Protest

Should a protest be lodged at a competition, that protest should be lodged before the commencement of the next heat. Further protests shall be submitted in writing to the Australian Flyball Association Inc. for appropriate action.

CHANGEOVER TIME

A 90 second changeover time applies for this competition.

From the time the winner of the last heat in a race is declared by the Judge and the flag is raised in the centre of the ring, teams will have this time to set up their box, adjust jumps to the correct height and give dogs some practice prior to the start of the next race. The Judge will give a 30 second warning. If a team is ready to race within this time, please indicate such to the Judge. If a team is not ready to race within a reasonable time, the heat will be forfeited and the win awarded to the opposing team.

PARK RULES CONCERNING DOGS

(just common sense and common courtesy)

To ensure harmony and consideration of all guests, we ask that our Park Rules be respected.

Best Friend Holiday Retreat has been designed to allow dog owners peace-of-mind whilst on holidays. We believe our Rules help achieve this objective.

Owner's Responsibility

- Owners must **take absolute responsibility** for their dog's behaviour whilst in the Park.
- Dogs are to be **kept on leash** at all times except in designated off-leash areas. (Please note this rule will be strictly enforced. Offenders will be asked to leave).
- Owners to correctly **dispose of all droppings** both within Park and along Tarra Valley Rd.
- Dogs are not to be allowed to chase, harm or otherwise disturb the Park's **wildlife**.
- **Abuse**, both physical and verbal is strictly prohibited.

Dog's Health

- Have a **current vaccination certificate**.
- Be **healthy** and free from fleas, worms and other parasites.

Dog's Temperament

- **Aggressive** dogs (or their owners!) are simply not welcome.
- **Excessive barking** is not considered acceptable behaviour.

Off-leash Areas

- Dogs may only enter an **off-leash area** if not currently in use, or by invitation of the user.
- Owners are to accompany their dog/s at all times in the off-leash areas.

General

- Dogs likely to **jump** the park's 1.2 metre high fencing are to be kept on leash at all times, including the off-leash areas.
- Dogs are **not to be left alone** in the Park (we have day-use kennels for your convenience).
- At **night** dogs are to sleep inside. This applies equally to cabins, caravans & tents.
- Dogs are not permitted in the Park's **communal facilities** (toilets, showers, laundry).

Cabin Specific

- Only completely **house-trained** dogs and those allowed full use of their owner's home are permitted in the Park's cabins.
- Dogs are **not to be left alone** inside or outside cabins.
- Dogs are **not to be washed** inside cabins (we have a hydro-bath for your convenience).

Visiting Friends

- With or without dogs must on arrival **report at reception** and, if applicable, sign dog rules and pay appropriate visiting fee.

**Thank you for your co-operation
And enjoy your stay !!!**

SIGNAL CARDS

The Judge will hold up a coloured (yellow, red or black) to inform an AFA member of inappropriate behaviour. The AFA member and Team Captain will be informed of the reason for the infringement being applied and a report will be submitted by the Judge to the AFA Committee within 48 hours of the competition for noting on the AFA member's record.

Yellow Card – indicates a formal "caution" for any of the following offences:

- a) Not being courteous and friendly in manner.
- b) Purposely delaying the restart of a heat.
- c) For showing displeasure with a dog, a Judge, Stewards, AFA Representative, host club, sponsor, other AFA member or spectator, in or out of the ring. This includes dissent by word or actions.
- d) Demonstration of poor sportsmanship.
- e) For entering the ring to set up for a new race before the Judge has declared the previous race.
- f) First offence for interference.

Red Card – indicates to an AFA member that they or their dog are to be "sent off" for 3 heats for any of the following offences:

- a) Any behaviour or altercation that would leave a spectator or exhibitor with an unfavourable opinion of the sport of flyball.
- b) Mistreatment of a dog (Includes any unreasonable treatment short of violence that causes dog to display obvious and sustained distress).
- c) Abusive or foul language.
- d) Demonstration of dissatisfaction with a Judge's decision. This includes approaching stewards or timekeepers to question them about the decision.
- e) A red card will also represent a second incident of any offence listed under yellow card.

Black Card – indicates to the AFA member that they or their dog is to be excused from the remainder of the competition for any of the following offences:

- a) Willful violation of the rules with the intent to gain an unfair advantage (this includes sandbagging).
- b) Aggression whether it be between dogs or handlers. It will also include a dog that is suspected of aggression.
- c) Inhumane treatment of a dog (includes racing a dog under 12 months of age). Whilst carding for racing a dog under 12 months of age is a penalty against the handler the dog will be dismissed from the competition and all heats run with the dog will be forfeited.
- d) A black card is also used for a third incident of any offence listed under the yellow card and a second incident under the red card.

Note: Black Card offences for member misbehaviour are serious offences that could result in disciplinary action under the AFA Constitution. Black Card offences for Dog Aggression will result in the dog being automatically excluded from competition racing until the AFA Committee has made a decision about disciplinary action.
