T&S Pet Products is proudly Australian Owned and Operated and has been producing the finest pet bedding and accessories for over 17 years.

All of T&S Pet Products is Designed Right here in Melbourne by our design team.

Here at T&S we pride ourselves in designing the perfect products for your animals and home.

We will always continue to keep up with the style and trends that are in the market and offer to our suppliers and customers the ideal bed in comfort and looks.

T&S Pet Products is proud to use as many Australian ingredients as possible, with majority of our products being filled with Quality Dunlop Australian made foam, our products have only the best filling available.

All Dunlop foam is made right here in Australia and treated with Ultrafresh. Ultrafresh inhibits bacterial, fungal growth and dust mite proliferation.

Ultrafresh assists with the prevention of allergies and asthma.

However, in order to bring you the best quality, at the most competitive price, we also need to look elsewhere. So some of our products or just covers only are made elsewhere but designed right here right down to the pantone color.

* A house is not a home without a pet
...and you cannot have a pet without a T&S bed!!!

General Information

Entry and Parking

Entry is via the main gate on High Street. Follow the driveway around to the grounds. Please follow the instructions of the parking supervisors.

Vehicles with trailers will be permitted to drive onto the grounds to unload and unhitch their trailers. Trailers may remain within the team set up space however all cars must be removed from the grounds.

(Weather dependent) Parking will be on the back oval behind the clubrooms. Please follow the instructions of the parking supervisors. Overflow parking will be in the school car park on High Street. Competitors will be able to drop off their gear at the grounds before being directed to park in the school car park. Please ensure you unload and move your car from the unloading zone to the car park in a timely manner to avoid lengthy delays for other competitors waiting to drop off.

Merchandise

Pre-ordered Merchandise will be available to collect from Friday morning. Order forms will be available over the weekend if you wish to order any merchandise (delivery fees will apply)

Junior handlers are the future of flyball and we would like to acknowledge them and encourage them to continue to keep the sport alive!

Racing Information

Rules

This is an AFA sanctioned event and will be run in accordance with the ***Rules and Policies of the Australian Flyball Association Inc.***

Changeover times

Teams will have 90 seconds from the end of the previous race to have their box and jumps set up and warm up ready to race.

Tied Placing's

This competition will use the 'Count Back Rule'

Count back based first on head to head RACE wins during competition (where more than two teams are tied the count back for each team shall be the total RACE wins scored against all the teams that are tied (the combined number of wins)); If two teams are still even the teams are compared on head to head heats; if two teams are still even - then fastest heat time head to head decides the winner.

Champions Trophy

The winning teams from each division will automatically gain access to the Champions Trophy Run Offs where the following rules apply

- there are no re-runs for a first false starts. Where the start dog from either team false starts, that dog must run again as a 5th dog
- the sound system of the lights will be discounted so that both teams receive visual light signals only
- should a first team place in a division be unavailable for the champions trophy no other team will be eligible to substitute
- the handicapped time is determined by the teams best time over the weekend

Stewarding

All teams are requested to ensure that all rings have the required stewards to ensure that the event runs smoothly.

A Stewards prize will be awarded to one steward per ring at the completion of racing on the Saturday.
