Comp Info – the stuff you need to know.

This is an AFA sanctioned event and will be run in accordance with the Rules and Policies of the Australian Flyball Association Inc.

STEWARDS

We have a steward roster, highlighted in the running order. We realise that some teams are stewarding immediately following their team racing, but with only a limited number of teams entered we couldn't avoid this. Please try to keep an eye on the races and do your best to have 4 stewards ready to go when it's your teams turn. Likewise if you see a team is busy and stewards are needed, jump in and help us out, everyone will appreciate it!

Also remember to use the sanitiser/wipes to clean your flag stick when you've finished stewarding.

LUNCH TIME TRAINING

Teams have nominated their dogs for lunchtime training. There will be a timetable released at the competition. See Bel for details.

VENUE MAP

Public toilets available on site. More amenities at the Milleara Shopping center. The shopping centre is a 500m walk from the grounds and offers an Aldi, a Woolworths and some food outlets for lunches etc.

We love our supporters!

A huge thank you to our fabulous supporters!

Thanks for the loan of your Gazebo guys!

HydroChem have kindly donated hand sanitiser to help us stay COVID safe.

With the realisation of the 2020 COVID-19 pandemic, HydroChem pivoted to provide healthcare products to the Australian community. This involved reallocating some of Melbourne's café workforce that had been stood down during the period of quarantine.

HydroChem have adopted the World Health Organisation formulation which is freely available on the WHO website. The only additions to that formulation are a small amount of gelling agent and a neutraliser (subject to availability) – to help keep the squirt on your hands.

Most importantly our hand sanitisers are >75% alcohol – which is the active ingredient that kills 99.9% of germs.

COVID 19 Requirements.

VIC Weiners Flyball Racing Club Inc
COVID Safe Plan for the Aussie Weiner Party Race Meeting.

All participants attending this competition will be required to comply with the Vic Weiners Flyball racing club's COVID Safety Plan and the Club's COVID Competition Requirements. Copies of these documents are available on the AFA Site and will also be on display at grounds.

The following are the requirements that will apply to all attending the competition:

BEFORE THE RACE MEETING:

🐾 RECENT CONTACTS

- Everyone attending the race meeting is required to review the lists of LGAs, venues and times at <https://www.dhhs.vic.gov.au/case-locations-and-outbreaks> within the 24 hours immediately preceding the race meeting and take action as specified. Attendees who have visited any listed hotspots or high risk areas or who have recently visited hot spots identified outside of Victoria must NOT attend the race meeting, and we recommend that their close associates also do not attend.
- If you are feeling unwell or experiencing any symptoms associated with COVID-19, no matter how mild, you must not attend the race meet and seek medical advice.

🐾 TEAM FOLDERS: Vic Weiners will not be providing any paper documents.

- The Team Sheets, the Catalogue, the Running Order and this, the latest COVID Safety Requirements document, will be sent to all team captains.
- Teams that want paper copies will need to print them off for themselves.

🐾 PROVIDE CONTACT TRACING DETAILS:

- All Clubs MUST lodge, before the start of competition, a listing of all of the people from their club (members and any accompanying persons) attending the competition on that day. The list must include names and contact details – email or phone for every person attending.
- The Club attendance list template is available on the AFA website and must be emailed/submitted to the Vic Weiner Coordinator, Josh Ellen (osh_ellen@yahoo.com.au) before Sunday 10th January 2021.
- Non-lodgment will delay start of competition, so we ask for your assistance.

AT THE RACE MEETING:

🐾 PROVIDE CONTACT TRACING DETAILS:

- All attendees to the event will also need to register electronically using their phones and the electronic code format (QR code) which will be readily available at the entrance to the show ring and around the event. If you see an obvious visitor please ask them to sign in.

🐾 SOCIAL DISTANCING:

- Of particular importance is the maintenance of the required 1.5-meter social distancing rule. Be aware that the ring area have been assessed with a capacity of up to 500 in groups of no more than 50 persons. Teams will have their own areas of up to 50 and must be distanced at least 5 metres from the next group.

COVID 19 Requirements.

- Specifically:
 - NO shaking of hands, hugging or the like.
 - Participants must avoid gathering together at arrival and avoid close clustering when not competing.
 - Whilst members of the same household do not need to socially distance, VIC Weiners asks that the 1.5-meter rule still be applied.
 - Teams are reminded to ensure social distancing when entering the ring, during warm up period and when leaving the ring and in particular when releasing dogs – team members should avoid standing in close groups when lining up to race.

FACE MASKS:

- Unless a medical condition prevents it, attendees must carry a face mask at all times and wear a face mask where social distancing is not possible. We ask all attendees to ensure every effort is made to ensure minimal risk of germs being transmitted to others when social distancing may not be possible.

SANITISATION:

- Frequently touched surfaces in the ring area and toilets will be regularly cleaned (at least once each two-hour period) and will be wiped down with disinfectant.
- Teams are responsible for sanitisation of their own club gear, including boxes and ball bucket handles. A spray bottle of disinfectant and/or disinfectant wipes will be available at the rear of the ring. Jumps and slats will be disinfected at start of competition, at least once during the competition and at end of day. Competitors who handle slats are requested to immediately sanitise hands.
- Everyone is responsible for their own hand sanitisation.
- Teams are encouraged to limit ball handling to the box loaders only. Ball shaggers are encouraged to use tube ball collectors and gloves if possible.
- Hand Sanitiser will be available at points near stewards chairs and other access points together with disinfectant wipes for use in cleaning frequently touched surfaces.

PROCEDURE CHANGES:

- Some changes will be made to normal race meeting procedures to reduce the chances of accidental cross-infection:

CAPTAINS MEETING:

- Will be held via the public address system.

TIMESHEETS:

- Team folders will not be provided (see TEAM FOLDERS). Team sheets are not to be brought to the Timing Table. Timing stewards will NOT be filling out team sheets.
- Team captains are to approach the timing table, maintaining a space of at least 1.5 meters, AFTER team warm up, and advise which dogs are racing in that race.
- Changes during a race will be dealt with as they are now.
- A 3 Minute warm up and set period will apply, so there should be plenty of time to get ready to race. If both teams are ready early the race will commence.

COVID 19 Requirements.

FLAGS:

- We will not be using normal stewards' flags. Stewards are to use a cleaning wipe available on their chair or from the Timing Table and use this as a flag to signal faults. At the change of stewards, the used wipe should be placed in one of the garbage bags/bins.

PRESENTATION:

- We won't be having presentation as there are no prizes but we will let competitors know the results at the end of the day after the ring is packed up, and also post results afterwards

PRESENTATION GENERAL:

- To limit the amount of person to person contact there will be no catering provided. Attendees should bring their own food and drinks and avoid sharing.
- Please ensure that any materials used for protection purposes are disposed of safely in the bins or bags provided.

These rules are necessary in order to reduce the risk of infection and to ensure that the race meeting is conducted in compliance with state health orders, local council requirements and the Clubs COVID Safe Plan.

NON-COMPLIANCE MAY RESULT IN COMPETITORS BEING EXCUSED FROM THE RACE MEETING AND AUTHORITIES SHUTTING DOWN THE EVENT AS WELL AS FURTHER PENALTIES.

All participants and guests must check in using the QR Code (see page 8) and the Service Victoria App. The app is free and available for download via the [Apple App Store](#) or the [Google Play Store](#).
