Housekeeping

Redfest is a public event, and care needs to be taken to ensure the safety of competitors, their dogs and the general public. Dogs need to be accompanied on lead by their handler, or restrained in a crate at all times they are not in the flyball ring.

Entry to our flyball area is off Smith Street in Cleveland, there is an entry gate between the hall and the high school, please follow the road through to the entrance to the parking area (just over the bridge), and make a left turn along the road, you will see the flyball area on the right. Please see map below for entry route in red.

Car Movements

As per previous years, cars will be allowed onto the grounds prior to racing commencing, and will need to be out of the grounds by 8:00am and parked on the outside of the event fence, so please ensure you have a crate for your dog as crating out of a vehicle will not be possible.

When we are ready to pack up at the end of the day security will open the gates and the cars will be allowed in to collect gear.

Please ensure any time you are driving in the event grounds that you do so **slowly** and with the utmost care.
