In the event of a tied place there will be count backs

Points for Round Robin will be allocated as follows:

2 points for winning the race

1 point for a drawn race

0 points for a loss

In the event of a team forfeiting a race, the team left to run by itself must complete the minimum required heats to gain the Round Robin Points. If the team does not complete the minimum heats, there will be no round robin points awarded.

All racing will be conducted under the rules and regulations of the Australian Flyball Association.

All Competitors must ensure dogs are on lead when not racing and all dog faeces are disposed of in the appropriate manner.

Breakouts

All breakouts will result in a forfeit of each heat (ie, the Other Team is awarded a win).

Should the same team breakout for a 3rd time they will not be eligible to place in that division.

If the electronic timing equipment malfunctions and hand held timers are required an extra second will be subtracted from the official breakout time (manual times = 2 sec below the division's fastest time).

Changeover Times

Teams will have 90 secs from the end of the preceding race to have their box and jumps set up and be ready to race.

The Judge will indicate when there is 30 seconds remaining. A team may forfeit the heat if they are not ready on time.

Depending on how time is going, the changeover time may change to 60 seconds after lunch.
