WELCOME

On behalf of the Norwest Thunderdogs Flyball Club, I welcome you to the 24th Australian Flyball Association's National Championships.

The main event will see 40 Regular teams and 11 Open teams from across Australia vie for the honour of taking home one of ten Regular and three Open National Championship trophies!

Racing will be conducted on two indoor rings in the Showground's new fully enclosed Pavilion, which will, for the first time in Australian Flyball history, make our premier annual racing event (almost!) weather proof.

Our Nationals Dinner will be held on Saturday night after the first day's racing, but don't party too hard – Daylight Savings comes in on Saturday night, and no-one wants to be the team that was an hour late on Sunday!

During these National Championships, we gather together on beautiful Darug Country, and acknowledge the Traditional Custodians of the many Countries from which you have travelled to join us. We pay respect to Elders past and present, and extend this respect to any First Nations peoples competing.

I would also like to pay tribute to the many contributors who make a successful event: our tireless Organising Committee and their many helpers; our team of Officials who will keep things moving and on track during the three days of competition; our sponsors and in particular our amazing major sponsors Hypro Premium, Antinol and Accell, who have so generously provided divisional, raffle and stewards prizes; and a special Thank You to Ben Royes, who has donated his considerable expertise and equipment to Live Stream our event to the world.

Have a great three days racing and catching up with friends from around the country, and may the best teams win!

Richard Mellon
Club Chairperson

Thank you's

We would like to extend our sincerest thanks to the organising Committees for their contributions to this year's nationals. A huge effort and a lot of planning.
