Rules

AFA approved Count Back Rules

Count back is based first on head to head RACE wins during competition (where more than two teams are tied the count back for each team shall be the total RACE wins scored against all the teams that are tied (the combined number of wins)); if two teams are still even the teams are compared on head to head heats; if two teams are still even – then fastest heat time head to head decides the winner.

Champions Trophy

A champions trophy round will be run at the end of regular round robin racing. This will involve the winner of each division in a single elimination format.

Training in the Ring

Time will be available for training in the ring at the mid-break and potentially two other short breaks. Please register your dog's name and CRN with the comp organiser if you would like to utilise this time.
