Flyball Master Excellent

Owner / Handler: David Pollard

Womby raced with various Ballarat teams from 2011, retiring from racing after Santaball in 2018.

Despite his retirement, Womby continued to be a supporter of the team through his regular attendance at club training and will be dearly missed.

**Merry
Christmas!
From our pack
to yours!**

This is a no-frills event, there won't be any prizes for winning teams.

As it's Christmas, there will be a judge's prize for best Christmas themed gazebo, as well as judges' choice for dog and handler of the division.

This isn't about what dog scores the most points, but which dog and handler embodies the spirit of the sport of flyball and has the bestest day ever!

Ring Training

Thank you for attending our flyball competition. This was one of the easier competitions to do the running order for. However, it was complicated by having to find ring training spots for 32 dogs. This augers well for the future of flyball in Victoria, and we have endeavoured to fit in as much as doggedly possible. Teams with 8, 9 or 10 dogs for ring training have been allocated 40 minutes (two 20 minute sessions) and other teams with fewer dogs have been allocated 5 minutes per dog.

To ensure that ring training goes smoothly and on time, could those responsible at each club please ensure that the dogs selected for ring training are ready to go. You club will have the ring for the time stated so if your club has many dogs, then you may consider using both lanes. You can use the ring as you see fit and choose which dogs to train.

Thankyou.
