- All clubs must set up inside the fenced area only.
- All equipment must be carried into the grounds. No cars or trailers can enter the grounds.
- The grassed area below the grounds will be available for trailer parking.
Please be considerate when parking to allow as many vehicles to fit in as possible.

COVID REQUIREMENTS

- **FDOC are affiliated with Dogs Victoria** – Therefore all events held at the ground must operate as per Dogs Victoria's current COVID Safe rules, regardless of whether they differ to the governments current rules.
 - All participants aged 18 years and over must check in using the QR Codes at the gate and show proof of COVID-19 Vaccination or medical exemption.
 - The COVID Safe Plan for this event has been written in conjunction with the Dogs Victoria rules.
 - **These rules are non-negotiable. If you are not prepared to follow the rules, please do not attend the competition. If you are seen to not be following the rules you will be asked to leave the grounds.**

COVID Requirements

All participants attending this competition will be required to comply with the Frankston Dog Obedience Club's COVID Safety Plan and the Club's COVID Competition Requirements.

Copies of these documents are available on the AFA Site and in the Race Meet Catalogue.

The following are the requirements that will apply to all attending the competition:

BEFORE THE RACE MEETING:

RECENT CONTACTS:

If you are feeling unwell or experiencing any symptoms associated with COVID-19, no matter how mild, you must not attend the race meet and seek medical advice.

TEAM FOLDERS:

- Paper documents will not be issued to teams.
- The Team Sheets, the Catalogue, the Running Order and this, the latest COVID Safety Requirements document, will be sent to all team captains.
- Teams that want paper copies will need to print them off for themselves.

PROVIDE CONTACT TRACING DETAILS:

- Everyone attending the venue must scan in using the Service Victoria QR code at Frankston Dog Obedience Club.

COVID 19 REQUIREMENTS AT THE RACE MEETING:

ATTENDEES:

- There is no restriction on attendees, however every person that attends over the age of 18 must check in via the QR code at the gate and show their proof of double COVID vaccination or official exemption to the Gate Marshall on entry, as per requirement from the ANKC and Dogs Victoria.
- Anyone unable to provide proof of double COVID vaccination or official exemption will be denied entry to the event.

SOCIAL DISTANCING:

- Of particular importance is the maintenance of the required 1.5-meter social distancing rule. Participants must avoid gathering together at arrival and avoid close clustering when not competing. Whilst members of the same household do not need to socially distance, Frankston Dog Obedience Club asks that the 1.5-meter rule still be applied.
- Teams are reminded to ensure social distancing when entering the ring, during warm up period, when leaving the ring and in particular when releasing dogs – team members should avoid standing in close groups when lining up to race.

COVID Requirements

FACE MASKS:

- Masks must be carried at all times and used if it is not possible to socially distance, however they are not required to be worn outside as long as you can maintain a safe distance from those around you. Masks should be worn inside when going to the toilets.
- We ask all attendees to ensure every effort is made to ensure minimal risk of germs being transmitted to others when social distancing may not be possible.

SANITISATION:

- Frequently touched surfaces in the ring area and toilets will be regularly cleaned (at least once each two-hour period) and will be wiped down with disinfectant.
- Teams are responsible for sanitation of their own club gear, including boxes and ball bucket handles. A spray bottle of disinfectant and/or disinfectant wipes will be available at the rear of the ring. Jumps and slats will be disinfected at start of competition, at least once during the competition and at end of day. Competitors who handle slats are requested to immediately sanitize hands.
- Everyone is responsible for their own hand sanitization.
- Teams are encouraged to limit ball handling to the box loaders only. Ball shaggers are encouraged to use tube ball collectors and gloves if possible.
- Hand Sanitizer will be available at points near stewards chairs and other access points together with disinfectant wipes for use in cleaning frequently touched surfaces.

CAPTAINS MEETING:

- Will be held via the public address system. Captains are asked to observe physical distancing requirements during the briefing.

TIMESHEETS:

- Team folders will not be provided (see TEAM FOLDERS). Team sheets are not to be brought to the Timing Table. Timing stewards will NOT be filling out team sheets.
- Team captains are to approach the timing table, maintaining a space of at least 1.5 meters, during team warm up, and advise which dogs are racing in that race.
- Changes during a race will be dealt with as they are now.
- A 2 Minute warm up and set period will apply, so there should be plenty of time to get ready to race. If both teams are ready early the race will commence.
- Photographs of your team's timesheet may be taken by asking the time keepers at a suitable time (not during a race).
- Time sheets will need to be reviewed and signed by the team captain at the conclusion of racing.

FLAGS:

- We will not be using normal stewards' flags. Stewards are to use their arm or a cleaning wipe available on their chair or from the Timing Table and use this as a flag to signal faults.
- At the change of stewards, used wipes should be placed in one of the garbage bags/bins.

PRESENTATIONS:

- Prizes will be handed out at a presentation after racing finishes. Please ensure you adhere to social distancing requirements.
- The results will also be published on the Vic Flyball Facebook Group in the evening.

FACILITIES:

Toilets:

- The club house should only be entered for use of the toilet facilities. Ensure you wear a correctly fitted face mask when entering the club house

- These rules are necessary in order to reduce the risk of infection and to ensure that the race meeting is conducted in compliance with state health orders, local council requirements the Clubs COVID Safe Plan and Dogs Victoria's COVID Safe Requirements.
