Rules

This AFA sanctioned event will be run in accordance with the Rules & Policies of the Australian Flyball Association.

TIES: COUNT BACK

We will also be using the "Count Back Rule" – Count back based first on head-to-head race wins during competition. Where more than two teams are tied, the count back for each team shall be the total race wins scored against all the teams that are tied (the combination of wins); if the teams are still tied, then the fastest time head-to-head decides the winner.
