Reason for Nomination

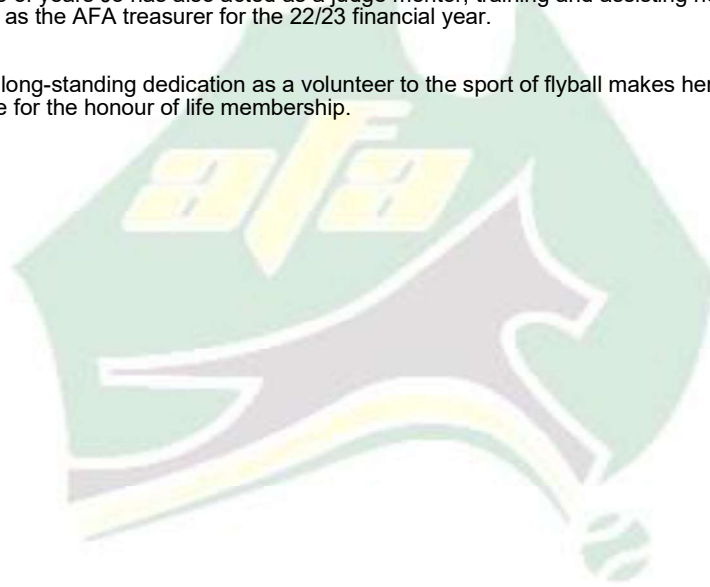

We the signed members would like to nominate Jo Slade, CRN 745 for election as a life member of the association.

Jo has been a member of the AFA since 2004 and in that time has been a member of several clubs including owning and running her own club, Orange Krush since 2016.

Jo has made a significant contribution to the sport by serving as judge for 15 years having started her training back in 2008 and only recently retired in 2023. In that time, she has judged all over Australia including national championships as well as 2 years in the North American Flyball Association (NAFA).

In the last couple of years Jo has also acted as a judge mentor, training and assisting new judges for the AFA. She also served as the AFA treasurer for the 22/23 financial year.

We believe Jo's long-standing dedication as a volunteer to the sport of flyball makes her a worthy candidate for the honour of life membership.

Guidance criteria

Life Membership should not be considered as a competitive matter and nominees should be considered individually and on their personal attributes and achievements and not in comparison to others. It is expected that any nominee however will have made a significant or exceptional contribution to the development and operation of the Association over an extended period of time.

Whilst it is not possible to provide a definitive listing of services to the Association seen as exceptional or significant, they might include service on Committee, service at events – such as Timekeeping or Judging or services clearly seen as significant in promoting, advancing and marketing the sport of flyball.

Whilst services at an individual Club level can be included as evidence of contribution to the development of the sport of flyball they do not on their own meet the criteria as contributions to the Association. Combinations of Association and Club level involvement are essential parts of an overall significant contribution.

All nominees will be expected to have demonstrated attitude and demeanor that reflects dedication to the values of the Association, including good sportsmanship.

As a guide it would be expected that the members contribution would have been made over an extended period of at least 10 years.
