

Notice to all AFA Judges and Club Co-ordinators

AFA Rule clarification notification – Combined divisions competition points.

The AFA Committee at its Meeting on 7th July took note of the input comments received supporting the view that in Combined Divisions competition points should be awarded with respect to all teams racing in that combined Division and NOT only when teams from the same Division were racing each other.

The Committee accordingly reversed its earlier decision and replaced it with the following:

- “Moved and Seconded that the Committee amend its decision and rule that for combined divisions Competition points will be awarded to all winning teams racing in the combined Division”. CARRIED.

The new clarification takes effect from the date of this notification and will be in effect for the next scheduled Competition – The Border Challenge at Albury on 19th July.

B.Lindsay (AFA Secretary.)
